## We all need a friend...

FRIENDS OF THE ROCHESTER SENIOR CENTER is a 501c3 non-profit organization. We are charged with assisting the Council on Aging by raising funds to augment the COA budget. We do this in a variety of ways. From holding monthly dinners, raffles, fairs, bake sales, etc. We also help with the planning and operation of COA activities including luncheons, Triad functions, the Block Party, etc.

THE FRIENDS AND FAMILY BREAKFAST CAFE is our largest fund-raising operation by far. Without the help of our many volunteers, we could not begin to operate such a successful program. We like to think that along with feeding our customers, we feed their souls as well. An important part of this operation is bringing people together for conversation and socialization. You may have noticed that our patronage is ever expanding...which is a double-edged sword. We welcome the additional revenue but, this means we have a need for additional volunteers.

One of our most anticipated projects is the addition to our Senior Center. It has been "in the works" for well over a decade. We hired an architect to produce a set of plans which included cost estimates. Phase 1 is an expansion to the large dining room. We plan to create additional space by utilizing the patio area. Having paid the architectural fees, we currently have raised over \$250,000. We will need more than that as construction costs and requirements add considerably to the project.

We could use your help. We are always looking for additional volunteers to help us with our important mission. It is not a daily commitment. It doesn't have to be a regular commitment. It can be an "I can volunteer one day a week or a few times per month" kind of thing. Don't worry...FRIENDS don't make FRIENDS do anything they don't want to do.

Membership is only \$15.00 per year. Sign up forms/payment envelopes available in the front lobby.
