### New Business:

Discuss the following items presented to the BOS on 10/1/2018 as stated below:

- Increase the number of fundraising days at 65 Pine Street from 6 (outside the Fair) to 10 days. This is necessary due to the income we lost because of the weather
- Eliminate the "beer & wine garden", open it up to the entire fair grounds from 4-9pm Thurs & Fri, noon to 9pm on Sat and noon to 5pm on Sunday. We received feedback from the RPD officers who worked that detail, Acushnet Lions Club and people who attended the Fair who are supporting this change
- Have Old Colony fix multiple electrical issues
- Repair fencing/gates
- Move well pump into the Tractor Announcers booth
- Replacement of the Gate C Admissions booth – previously approved by BOS this year, pending funding
- Build a Pole Building, possibly 40x100. This is due to the rental costs tripling. This will be paid for with fundraising events/dontations

Discuss outcome of annual Pine Street Grounds Usage meeting 10/2. 2018

Finalize dates for 2019 Fair
