**ARTICLE 14: ACCEPTANCE OF MGL CONCERNING ESTABLISHMENT OF SPECIAL INJURY LEAVE INDEMNITY FUND**

To determine whether the Town will vote to accept the paragraph in Massachusetts General Laws Chapter 41, Section 111F that would allow the Town, notwithstanding the provisions of said Section 111F, Massachusetts General Laws Chapter 41, Section 100, or any other general or special law to the contrary, to establish and appropriate amounts to a special injury leave indemnity fund for payment of injury leave compensation or medical bills incurred under said Section 111F or said Section 100 and to deposit into such fund any amounts received from

*This article proposes to accept a new provision of Massachusetts General Laws allowing municipalities to establish a fund for insurance proceeds and restitutions received by the Town that are related to injuries to firefighters and police officers. The funds may then be used for injured-on-duty pay for a firefighter or police officer who is out of work as a result of a work-related injury, as well as any medical bills incurred for such injury. **ARTICLE 16: TEMPORARY MORATORIUM MARIJUANA RETAIL SALE**

To see if the Town will vote to amend the Town's Zoning Bylaw by adding a new Section IX(H) "Temporary Moratorium on Marijuana Retail Sale" (which includes dispensing, processing, and cultivation activities, and other related activities to the sale, storage and distribution of marijuana) in order to undertake a planning process to evaluate regulation of marijuana and other uses related to the regulation of marijuana and address the potential impact of the state regulations on local zoning, as follows:

## Section 1. PURPOSE

By vote at the State election on November 8, 2016, the voters of the Commonwealth approved a law that would legalize recreational marijuana. The law requires a newly appointed Cannabis Control Commission, made up of three members appointed by the Massachusetts treasurer that would be responsible for regulating and supervising marijuana businesses. The law provides that it is effective on January 2016 when the CCC releases recreational marijuana regulations. If the commission fails to develop regulations by Jan. 1, 2018, the ballot question allows existing medical marijuana treatment centers to begin selling recreational marijuana to adults without any additional regulations. The Commission is charged with developing procedures for issuing and renewing licenses. It would develop requirements for the security of marijuana businesses, for preventing marijuana sales to minors, for record keeping, health and safety standards, packaging and labeling requirements, testing requirements, marketing restrictions and enforcement mechanisms. The Commission will have authority to limit the total amount of marijuana grown in Massachusetts. Cities and towns can adopt ordinances that impose "reasonable safeguards" on the operation of marijuana shops, including limiting the number or type of marijuana establishments.

The regulation of recreational marijuana and associated sales raises novel and complex legal, planning, and public safety issues and the Town needs time to study and consider the regulation of recreational marijuana sales and address such novel and complex issues, as well as to address the potential impact of the State regulations on local zoning and to undertake a planning process to consider amending the Zoning Bylaw regarding regulation of Marijuana Retail Sale (which includes dispensing, processing, and cultivation activities, and other related activities to the sale, storage and distribution of marijuana.

The Town intends to adopt a temporary moratorium on the use of land and structures in the Town for Marijuana Retail Sale (which includes dispensing, processing, and cultivation activities, and other related activities to the sale, storage and distribution of marijuana so as to allow the Town sufficient time to engage in a planning process to address the effects of such structures and uses in the Town and to enact bylaws in a manner consistent with sound land use planning goals and objectives.

## Section 2 DEFINITIONS

The definitions contained in the AN INITIATIVE PETITION FOR A LAW RELATIVE TO THE REGULATION AND TAXATION OF MARIJUANA shall be the definitions used in the Moratorium. These definitions include but are not limited to the following:

The moratorium shall be in effect through October 31, 2018.
