

CURBSIDE COLLECTION

Collection Program Guidelines

- Trash and Recycling must be at curbside by 7:00 AM on Friday
- Please separate your recycle cart from your trash by 3 feet if possible so it can be easily identified by the collector
- All trash must be contained in the cart issued by the contractor to be collected. No material left outside the cart will be collected. Bag all trash to prevent litter
- Trash and recycle carts must be placed at the edge of the roadway with wheels facing away from the street. Do not place your cart within 3 feet of any obstruction. (trees, mailboxes, etc.)
- No construction materials from renovation projects will be collected
- Recyclable materials are collected every other week on your regular collection day as show at <http://www.townofrochestermass.com/pdf/recycling-schedule-abc-2015.pdf>

Safe Use and Care of Cart

- Always keep the lid closed to keep rain, snow, and animals out
- Do not place any unacceptable materials in the carts such as paint, solvents, hot ashes, sand, rocks, yard waste, etc.
- Use the handle provided to move the cart. Tilt cart on wheels and roll. Remember to pull the cart uphill and push the cart downhill
- Remove your cart as soon as possible after collection to maintain appearance of the neighborhood
- To clean, simply rinse with water from time to time and let dry in the sunlight with the lid open
