

Changes at Town Hall

Rochester's historic Town Hall has gone through a few internal changes in the past months. These changes were all made to make staff more accessible to townspeople.

The Town Clerk's Office is now located just inside the front door to the left as you enter (formerly the Select Board's Administrative Office).

The Town Tax Collector is the next work station as you walk down the main hall, again to the left just past the Town Clerk's office.

The Select Board's Administrative Office and Town Administrator are located at the end of the hall, where the offices of the Town Clerk and Tax Collector used to be.

To access the Assessor's Office, please enter from outside through the side door to the left of Town Hall, via the accessibility walkway.

This is also the best entry for night meetings that are scheduled in the conference room of Town Hall.

Office hours for all departments can be found under the Government Tab.
